

WORKPLACE HEALTH AND SAFETY POLICY

At Ellis Air Conditioning Pty Ltd our Workplace Health, Safety Policy is based on a belief that the well-being of people employed at work, or people affected by our work, is a major priority and must be considered during all work performed on our behalf.

Ellis Air Conditioning Pty Ltd is committed, that as far as reasonably practicable, that all senior managers will ensure compliance with the Workplace Health & Safety Act 2011 and the Workplace Health & safety Regulations 2011.

People are our most important asset and their health and safety is our greatest responsibility. The public shall be given equal priority to that of our employees.

Objectives

The objectives of our Safety Policy are:

- To aim to achieve an accident free workplace.
- To make health & safety an integral part of every managerial and supervisory position.
- To ensure health & safety is considered in all planning and work activities.
- To involve our employees in the decision making processes through regular communication, consultation and training.
- To provide a continuous program of education and learning to ensure that our employees work in the safest possible manner.
- To identify and control all potential hazards in the workplace through hazard identification and risk analysis.
- To ensure all potential accident/incidents are controlled and prevented.
- To provide effective injury management and rehabilitation for all employees.

The success of our health & safety management is dependent on:

- Pro-active planning of all work activities with due consideration given to implementing WH&S controls that are suitable to each given situation.
- Understanding the total work process and associated WH&S risks.
- Ensuring the work team is totally committed to achieving our objectives.
- Ensuring that open and honest communication exists between management and all employees.
